

# Beige Carpet Pad

Carpet Encapsulation Cleaning Pad

*For use on all Standard Speed  
Floor Machines and Encapsulation  
Cleaning Machines*

The Americo Beige Carpet Cleaning pads are specially formulated to be used with common carpet encapsulation cleaning systems. Their special binder allows the pads to be safe for use on carpet yet durable to resist the friction created in use. Designed to be used with carpet encapsulation chemicals that thoroughly clean carpet surfaces yet allows for a fast drying time, typically less than 2 hours. These pads are highly efficient, for example an operator can cover 2,000 to 3,000 sq. ft. per hour. Excellent for use in frequent cleaning of high traffic areas.

- Special binder allows for a soft yet durable construction
- Estimated life: 10,000 sq.ft.
- Pads are simple to use and clean
- Available in most sizes for use on standard speed floor machines and leading industry accepted carpet encapsulation equipment
